 Aaron Setran *The permit is "administratively" extended until a new one is issued, or i*

The permit is "administratively" extended until a new one is issued, or revoked. So, there is no paperwork associated with the extension. A.

Subject Permit extension

Aaron,

Can I get a copy of the approved permit extension for Pineview? The permit expired on the 7<sup>th</sup>, but the extension was submitted by PTP in a fairly timely manner, I think.

Thank you,
